

Stoltzen AOC USB-C DATA 3.2 10Gbps 10 m USB 3.2 Gen2 10 Gbps (Gen2x1) DATA

Product number: SUCC-3120-010
EI-number: ---
Color: Black
Length: 10m

AOC (Active Optical Cable) contains both copper and fiber conductors for optimal signaling. By using fiber for the transmission of image / data signals, and copper for control and voltage signals, one can easily achieve lengths far above what is normal for copper cables.

Technical data:

Specifications:

Lenght (m):	10
Color:	Black
Brand:	Stoltzen
Conductor:	Hybrid Copper & Fibre
Contact 1:	USB-C
Contact 2:	USB-C
USB version:	3.2
Product series:	AOC

Extended spesifications:

Directional:	Yes
Active:	Yes
AWG:	18
Shielding:	Triple shielding
Bitrate:	10Gbps
Outer cape material:	LSZH
Anti-kink sleeve:	Assembly shell
Contact surface:	Zinc Alloy
Sertifications:	REACH, RoHS
