

Stoltzen AOC HDMI 2.0 4K@60 100 m

Product number: SHDC-8800-0100
El-number: ---
Color: Black
Length: 100m

AOC (Active Optical Cable) contains both copper and fiber conductors for optimal signaling. By using fiber for the transmission of image / data signals, and copper for control and voltage signals, one can easily achieve lengths far above what is normal for copper cables.

Technical data:

Specifications:

Brand: Stoltzen
Color: Black
Length (m): 100
Conductor material: Hybrid Copper & Fibre
HDMI version: HDMI 2.0
Product series: AOC
Bandwidth: 18Gbps

Extended specifications:

Active: Yes
AWG wire size: 30
Cable shielding: Double shielding
Jacket material: LSZH
Anti-kink sleeve: Assembly shell
Certifications: REACH, RoHS
