

HDMI Matrix

Stoltzen ATHENA C42 HDMI Matrix 4x2 Stoltzen Athena Compact series

Product number: AthenaC42

Product Description

The Athena C42 is a powerful HDMI matrix that allows for seamless switching and scaling of high-definition video signals. With four HDMI inputs and two HDMI outputs, the C42 supports resolutions up to 4K60 444, and can scale output signals to 1080p or HDBaseT mode. Additionally, the C42 features built-in web GUI for LAN control, and support for RS232 and IR control. The C42 is perfect for use in conference rooms, classrooms, and other professional settings where high-quality video distribution is essential.
