

All-in-one Videobar

Stoltzen Argos VSB-1 VideoSoundbar ME Video Soundbar with USB3.0

Product number: VSB-1-ME

Product Description

The VSB-1 is an all-in-one video bar designed for modern meeting rooms and video conferencing setups. It integrates a 4K UHD camera with a 0.8M CMOS sensor and a 120° distortion-less wide-angle lens, ensuring every participant is in view without manual adjustments. The device is equipped with intelligent features such as face recognition and voice localization, which automatically adjust framing and focus on the active speaker. The built-in 6-array MEMS microphone and dual 10W speakers ensure clear audio within a 6-meter range. Privacy is prioritized with an automatic cover that closes when the camera is inactive. The VSB-1 is compatible with Windows 7, Windows 10, Mac OS 10.10 or higher, and major video conferencing platforms.
